"GO TO BLAZES"

Like I just got my June issue of Drag and read Herbie(FINK) Clawsons letter. I also read the FINK'S first letter which appeared in the second issue. Like all I've got to say to old Herb is "Go To Blazes".

Now that Big Daddy Roth has joined Drag, how about givin' us readers the lowdown on his new rod, "The Mystery". P.S. I just bought Big Daddy's "Rod n' Ratfinks" album. It's A/CASS.

I just finished reading your #4 issue and it was the best yet. Now, about that Fink Herb Clawson, anybody dumb enough to bad mouth Drag Racing is a ashnook himself. I don't think a creep like him deserves a subscription anyway. He is nothing but a clod looking for trouble. If it was up to me, that lousy Rat Fink wouldn't get a subscription. A Fellow Lover of Drag Cartoons!!

Randy Ayers
 Austin, Texas

"THUMBS UP!!"

I feel like a fink, but I've got a soft spot for this Clawson cat. So I say, Thumbs Up on his subscription, if he keeps his mouth shut. I'm a Sporty-Car bub like him except my Healy's got a Vette underneath. I dig your Mag and sometimes I feel left out cause I've got an Overhead. Don't let this make you feel I'm envious—just greedy for more machinery.

Jon Gutmacher
 Westfield, New Jersey

"TOO GOOD FOR HIM!!"

Hey there, Grand Exalted Ruler. Like, who does this Clawson Fink think he is, anyway? I have nothing against these Sporty Car Type Clods, but when they rank draggin', they are stepping out of line. I think somebody forgot to torque this clown's head down before they let him out of his cage. I say, let him pay for his crime! NO SUBSCRIPTION TO DRAG! It's too good for him.

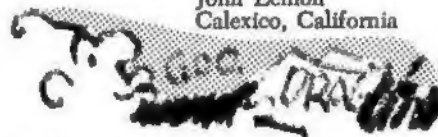

Charlie Soento
 Gloversville, New York

"IS HE OLD ENOUGH?"

I've been reading all about Herbie, I think he should be able to subscribe. But I don't think he'll be old enough to read it.

P.S. Like I dig your mag.

John Lemon
 Calexico, California

I think Herb Clawson is a disgrace to Southern Calif. somebody would have to be out of his ever loving gourd to play down dragging. Maybe racing around in circles could have done it, or having to look up every time he saw a Flattie. I guess it would be discouraging enough to make him go a little dingy. I don't think he deserves anything, but to sit around in one of those sporty cars and pick his nose.

P.S. If you dare apologize to that creepy fink I will be forced to liquidate my subscription.

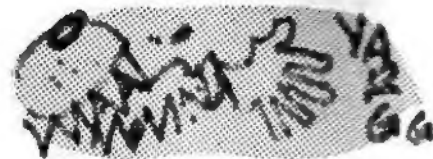

David Andrews
 Ramona, California

"MIXED UP"

I was leafing through your mag and I chanced to glance at the column labeled "fine print", and the contest Big Daddy talked about in your June issue of Drag, caught my attention. After carefully reading all the directions which I did not understand in the first place, I proceeded as directed by copying down the little numbers that were concealed in the mag. I listed the numbers and let the first numbers stand for the lines in articles and let the 2nd set of numbers stand for the words. Using this method I arrived at the total 157. And the directions went: Count the little guys page one? And the first in nine Greer with from correct fumes winners of will win a bottle of Mixed up huh! I arrived at this by rearranging the original directions—which read: Count the little guys page and the first AA/FD's and nine Greer Nitro will win a bottle a fumes.

This was mixed up until I rearranged it. I still think it is wrong, but I arrived at the grand total of 290—I left out some numbers the first time so I went back and found some more. Other than mixed up contests your mag is great and I enjoyed the cover and the cartoons on pages 37 and 47, Titles "Wonder Where the Yellow Went" and "Upside Down Cake". They both were a scream. Keep up the good work! I am looking forward to seeing Big Daddy and Millar team up. I also hope maybe you could bring back Arin Cee from the Dragstrip in the sky!

David Shuck
 Taft, California

"THROW HIM TO THE LIONS!"

In his last letter, this Clawson fink says he wants your public apology. If he wants this cool book, he is the one who has to make the public apology about what he said about dragsters and dragging! I vote thumbs down for Clawson!! If he hates dragging so much what does he want a subscription for?!! Throw the fink to a couple of Roth's weirdos to finish him off! P.S. You have a great mag. I am glad Roth joined you.

Jerry Guidice
 Detroit, Michigan

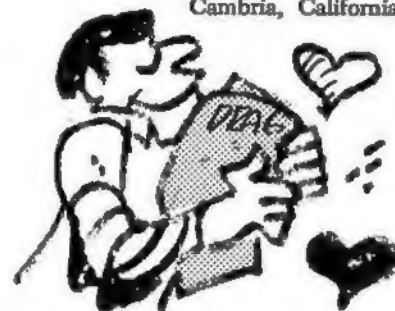

"PUT HIM IN HIS PLACE"

I would like to say first of all that your mag is great. Second is to put Clawson in his place. I wouldn't stick my worst enemy with him. I vote thumbs down. I won't put my name down because with Clawsons big legal talk he would stick me with a law suit.

A Fan

On page 14 of #4 as McSlick admired his NAAFH T-shirt in the mirror, if you will notice, he must have put on the decal backwards! I dig your mag, but watch yourselves on those mistakes. Enclosed is my idea of a monster with a Dodge and a Flathead. I am a fan of the NAAFH. I will join as soon as I get some folding green paper. I gotta go now, my dragster needs new slicks.

Andrew Emert
 Cambria, California

"LOVE IT"

I love your mag and it's good to hear from you now and then. I can't get enough of Drag, even if it is every month now. I don't know about Drag Racing, but just enough to understand the gags. Your #4 issue was a side splitter, especially, "From Outa The Chute", and "Ollie Ollie Overhead", and his sideshift. P.S. I'm the only Fink at school that reads, or even knows, about Drag, they have never seen any on the stands.

Gerald Rivord
 Superior, Wisc.

I am an avid fan of the Flathead engine. I have a 1952 Ford running D/Altered at the Beeline strip, but have been plagued with tething problems. I have only had it out 3 times. It hasn't turned any good times, as yet.

Gene Bowen
 Glendale, Arizona

"NUTS"

What's the matter with all you jokers? One guy writes in knocking hot rods, one guy writes in knocking sports cars. Here I am for both sides, I happen to own one of those "(ha ha) underpowered hot rods" I also happen to be an avid hot-rodder, yea, put that in your pipe and smoke it, Mr. Bradford. I have also won two trophies, out of two nights of dragging. Now, why don't you American hot rodders try to look at each side of the page and you might find out that all sports cars are not odd, as all rodders are not All odd. Better understanding between the two, just might help rodding in all respects, think it over.
P.S. Here is one 121½ cu. in. toy that has never been beaten by any Flathead, stock or otherwise. You got a great mag, keep it up.

Paul Wellendorf
Ft. Worth, Texas

"BIG MOUTH"

I think that Clawson is a guy with a big mouth. You have your rights and don't give him a subscription to your great magazine. With "Big Daddy" joining, it will be even greater, (if that is possible). Enclosed is 70¢ for issue #1 of Drag Cartoons and "Big Daddy Roth" comic book. Keep up the good work.

Ed Boehmer
Rochester, N.Y.

"NOT DESERVING"

That big Fink Herbie should not subscribe, in my opinion. Anyone who talks like that just isn't deserving of your magazine.

P.S. Your mag is great, keep up the good work.

Fort Atkinson, Wisc.

"COMPLAINTS"

You say send your complaints, so here is mine. You've got a lousy magazine, but I love ya, where have ya been all my life.

Larry Kierkowski
Chicago, Illinois

"NAAOF"

First, I must say about that chick in Rockville, Conn. "Who says its ridiculous for a beautiful girl to become a Rat Fink" Second, I'd like to see some Arin Cee in Roddin's top mag, too!

Third, Lay off the overheads!! I might just form an NAAOF or an Overheads For ever campaign.

You really got yourself a fine mag! Keep up the good E.T.

P.S. I wouldn't let 'Herbie' get a subscription.

Jerry Forburger
Lubbock, Texas

It seems that in your magazine "Drag Cartoons", (which is very good) there has been a lot of advertisement about the "Flatheads Forever Movement". Personally, I think you are wasting a lot of time and space.

Like, the flathead is a thing of the past. Every day there are fewer and fewer of them, they are dying out. The average flathead owner owns his piece of machinery for one of the following reasons:

1. It was his "Old Mans"
2. He can't afford a superior overhead or their parts.
3. Or he just has a few loose screws in the head region.

Now don't get me wrong, I have nothing against flathead owners, and in my eyes Temple and Payne sit pretty high... but their machines can't compare to the big overhead. The day Tony Nancy, Art Malone or Don Carlits take a run in a Flat head fired rail is the day I'll join your movement.

I thought I'd let you know how I and others feel. Wise up... it's not too late. The overhead is here to stay, and the door is about to be closed on the Flat-head.

Anthony Amanzio
E. Meadow L.I. N.Y.

I just finished reading the latest issue of DRAG. What's so darn funny and who says it's better than CARtoons?

It seems some of your readers are having trouble with the (yech) overheads boys. Boy, they used to bother me and my stock 56 Dodge Flathead, but not anymore. Least not while they know there is a loaded 22 automatic in my glove compartment.

Most of the fellows up here have Flat-heads, but a few have old Chevys with stovebolt sixes. This letter was written, mostly, to tell you guys, that up in our neck of the woods, the Flathead isn't dead and that you really have a funny mag.

Dave Veranth

DEATH TO HERBIE!!! and all others like him.

P.S. Draggin' Dumb? Pour salt in his wounds, hang him by the thumbs!!

Grease Pit
Swampscott, Mass.

Hi there, you old "coolies". Just thought I'd write, bein' that I just bought you alls June issue. I read that Herb Clawsons letter in that there "DRAG" issue. I think you should bring in the creep, but not without showing him who's boss. Like man that's all I got to say.

P.S. If I ever dig up the loot I'll subscribe. Meanwhile hold up your britches.

Jeff Beckley
Alamogordo, N. Mex.

If that RAT FINK Herbie wants in—let him in... I can see that all he wants is to make noise. If you give him a subscription, it will shut his trap. You never know but he might be one of these underprivileged slob who drives flat-head (ugh!) sixes. He's probably got an inferiority complex or something. Go ahead, take his check—you need it. If I had the gold I would buy myself a set of twelve, but it costs too much to change my Canadian money.

P.S. Say hello to big daddy for me.

BOY YOU ARE
NUTS!

Liverlips Baby:

Like, I saw the letter from "Herb the Jerk." I dig, well, I for one, don't want him among us. You're right, if he would have kept quiet, everything would be ok. If he loves (ugh) Sports Cars so much, why doesn't he subscribe to a Sports Car magazine?? Tell Herbie this I don't want him; also, I got an injected Flathead in a 1930 Ford Tudor Body, that will burn any Sports Car he can get. I've spoken!

Dour Sindel
Gahanna, Ohio
age 19

I just happened to notice your magazine at the newspaper office, so I bought it. In answer to your contest on page 13, June issue. I counted 62 little guys on the first page. This does not include the little guys in the DRAG of Drag Cartoons. I buy your mag every month at the store and the only complaint I have had is that it comes out every 2 months. I was very glad to see that it is coming out every month. Keep up the good work about the flatheads, especially Temple McFlathead. I saw Pete Millar's "INtruder" at the Winternationals in Scottsdale. I was upset for him, because of the Now I am thinking about subscribing, but I would not want to if you let a person like Herbie Clawson subscribe to your magazine, this joker will just cause you a lot of trouble if you let him in. I say, do not let him become a subscriber.

THE ASSASSINATION OF "PRESIDENT LINCOLN"

THE QUESTION OF THE STATES' RIGHT TO GOVERN THEIR OWN DRAG STRIPS INDEPENDENTLY OF THE NATURAL HOT DOG AFFILIATION... AND THE EMANCIPATION OF THE FLATHEAD... WERE THE FIERY ISSUES THAT SPLIT DRAG RACING NORTH AND SOUTH!

THE IDEA OF A CENTRALIZED GOVERNING BODY DICTATING TO THE STATES SEEMED TO BE IN VIOLATION OF THE BILL OF RIGHTS TO DRAG!

IT WAS DURING THIS CRISIS THAT THE POWERFUL "PRESIDENT LINCOLN" MADE AN APPEARANCE AT THE FORD DRAG STRIP TO WATCH AN EXHIBITION RUN OF THE "AMERICAN COUSIN..."

TENSION WAS HIGH AS THE "PRESIDENT" ROLLED INTO THE PITS... CROWDS GATHERED AND SHOUTED APPROVAL... WHILE OTHERS WATCHED IN OMINOUS SILENCE...

THEN, FROM OUT OF NOWHERE, A STRANGER APPEARED AND FIRED A SINGLE SHOT INTO THE VENTURI OF THE NOW IDLING LINCOLN...

...CAUSING TREMENDOUS INTERNAL INJURIES!

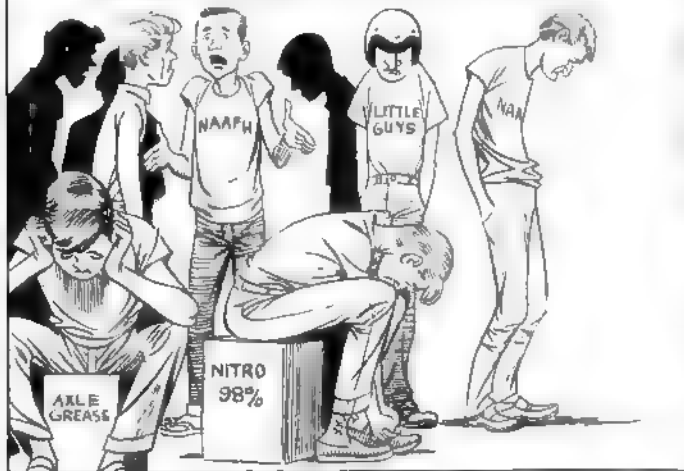

CRUNCH!
COFF! COFF! CRACK!

THE GASPING LINCOLN WAS TAKEN ACROSS THE STREET TO A SERIES OF FACTORY-TRAINED MECHANICS WHO LABORED TO SAVE THE "PRESIDENT'S" LIFE...

MEANWHILE, BACK AT THE STRIP... A GROUP OF LINCOLN ADMIRERS WHO WERE RUNNING FORD FLATHEADS... RELATIVES, YOU MIGHT SAY... WERE TAKING THE WHOLE THING PRETTY HARD...

A SPOKESMAN FOR THE GROUP WAS GIVEN PERMISSION TO GO TO THE PITSIDE OF THE AILING LINCOLN...

BECAUSE OF YOU, FOMOCO OWNERS CAN HOLD THEIR "JOCKO" HEADS UP WITH PRIDE! YOU'VE SHOWN THE DRAG RACING WORLD THAT FORD PRODUCTS CAN HOLD THEIR OWN...

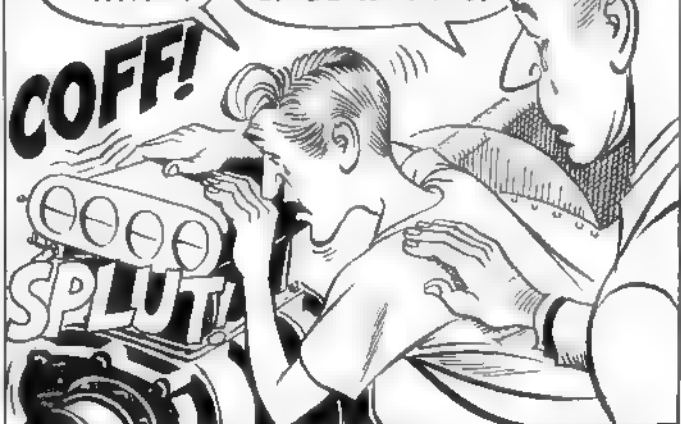

... AND YOU'VE FREED THE FLATHEADS SO WE CAN ONCE AGAIN RACE WITH PRIDE!
OOH, MISTER LINCOLN... WHAT HAVE THEY DONE TO YOU?

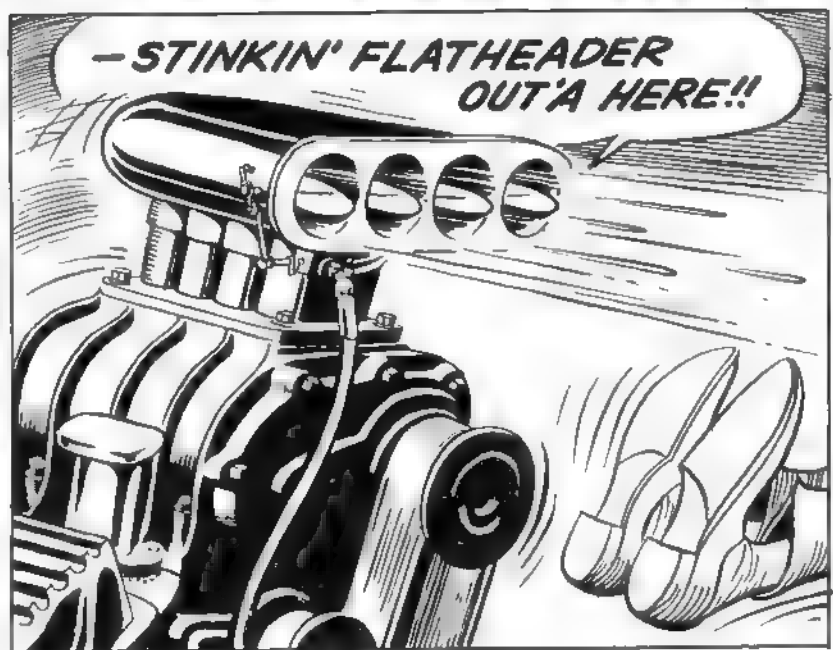

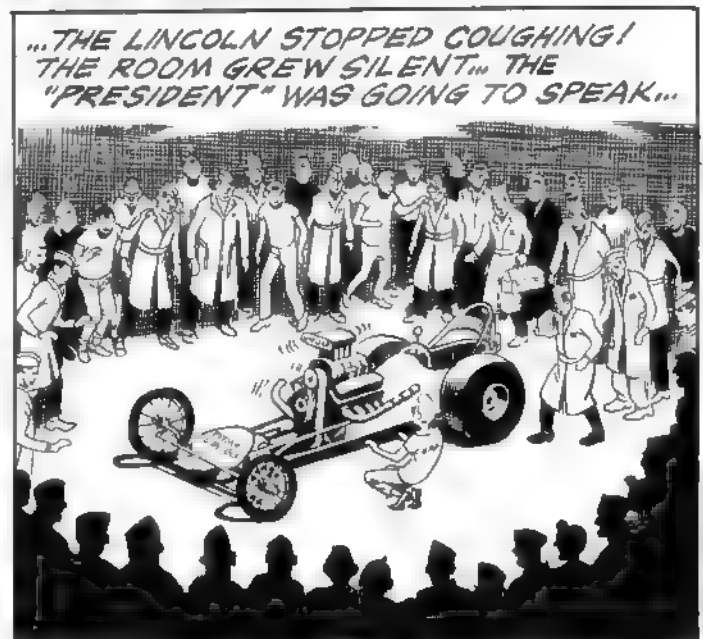

BUT HIS PLEAS WENT UNHEARD... THE LINCOLN WAS SINKING FAST...

WHY? SOMEBODY TELL ME WHY—!

'Kill' decals are something new for the automobile decal field. 'Kills' are used to mark drag victories. Similar in principle to the markings used by fighter pilots during WW II to announce their combat scores. The 16 designs show "Exhaust Eaters" in silhouette, black on white to permit use on cars of all colors. "Kills" are sold in sheets of five identical decals for one dollar.

MILE HIGH FLY

DRAGIN'ARY

It has been said that our humor is over the heads of our readership . . . we're too 'hip' . . . you don't understand what we're talking about . . . and we're losing a lot of readers because the average guy just doesn't 'dig' what we're puttin' down. I'm of the opinion that you guys are hip and nothing gets past ya . . . but in case there are a few that feel left out we've made up a list of words that are pretty common drag racing terms. NAAFH GOES HOLLYWOOD

While on location at the Pomona Drag Strip, Frankie Avalon and Annette, stars of *BIKINI BEACH PARTY*, take time off to accept membership from NAAFH representative Pete Millar. Once again proving the sincerity and magnitude of the *FLAT-HEAD* movement. Do you believe in the resurrection of the flathead? Can you honestly say that emancipation of the flatheads is just? Are you of the opinion the flathead is the 'backbone' of drag racing? If your answers are YES—the organization needs you and you need the organization! Ignition fee is only \$5.00 and yearly dues of \$2.50. Send today and you'll receive: NAAFH membership card, Tea shirt, Flatheads Forever decal, NAAFH decal and the Flatheads Forever Newsletter. Charter membership closes **SEPTEMBER 1964**.

MEMBERSHIP APPLICATION

Oh yes, I *DO* believe the *FLATHEADS* will rise again and emancipation is at hand. I further believe in the suppression of the (ugh) Overheads and will support the *NAAFH* movement to the end. Please consider my application and send me the weapons of recognition as soon as possible.
